ADVERTISING SIGNS

In order to maintain property values and live in an environment unencumbered by a proliferation of signs, the city of Garden Ridge has stringent requirements. Placement of any advertising (profit and non-profit, garage sales, parties, etc.) on the streets of the city are covered in Ordinance 55. Please refer to this ordinance prior to any sign placements.

BACKFLOW TESTING REQUIRED

The City of Garden Ridge Water Department enforces the Texas Commission on Environmental Quality’s requirement that backflow devices are installed and tested if a private well or sprinkler system exists on a property with city water. The frequency of the required testing is dependent upon the individual set-up of each property. Contact 651-6831 for requirements.

ANIMAL CONTROL

The City of Garden Ridge is pet friendly. Every effort is made to return lost pets as soon as possible. If your pet is lost, check with the city first by calling 651-6831. In this regard, pet registration is required yearly in January, with proof of rabies vaccination. A tag is issued with each registration and it is encouraged that it be affixed to the collar of any animal that has any possibility of roaming freely. Ordinance 18 does specify that no pet be allowed to roam freely without voice control. “Garden Ridge has a warm heart for cold noses.” Feeding of deer is discouraged; however, if so inclined, please utilize products of some nutritional value. Feed corn does not fit this criteria.

WATER CONSERVATION RULES AND POLICIES

The residents of Garden Ridge have their own mandated water conservation plan approved by the Garden Ridge City Council and the Edwards Aquifer Authority. The rules in this plan apply to all Garden Ridge residents as well as those non-residents who receive water from the City. The plan has been formally adopted by City Council as Garden Ridge Ordinance 61 and is available for review at City Hall.

YEAR ROUND

- Watering by sprinklers is not allowed between the hours of 10 a.m. and 8 p.m. This restriction does not apply to grey water system.
- Water demand reduction measures began when the level of the J-17 index well falls to 660 feet. In general, reduction measures become more stringent as the index well level drops. Provisions of the plan mirror those provisions adopted by the City of San Antonio. Accordingly, current stage and usage information is published in the San Antonio Express-News Metro Section. Current Stage restrictions are also aired by San Antonio area radio and television stations.
- The City has also adopted a series of surcharges for water usage in excess of 45,000 gallons. Surcharges shall apply during those times when the City has declared Stages 3 through 5 of the plan.
- Information regarding conservation practices and water saving tops is also available at City Hall. Residents are encouraged to consider xeriscaping practices when installing landscaping.
OAK WILT PREVENTION

We need a community-wide effort to help protect our property values from the potential loss of our valued oak trees. The threat is REAL. Oak wilt is a fungal disease that threatens our red and live oaks. The disease is spread from infected red oaks to other oaks by sap beetles.

The City of Garden Ridge has adopted Ordinance 71 concerning oak wilt and trimming of oak trees within the city. The following is a guideline to help prevent oak wilt:

- Cut and dispose of diseased red oaks immediately
- Avoid wounding oak trees, including pruning, from February 1 through July 1, and paint all wounds and fresh stumps regardless of the season
- Handle oak firewood cautiously, burn all firewood before spring, and never store unseasoned oak wood from infected trees near healthy oaks
- Cover unseasoned firewood (from infection centers and unknown origins) with clear plastic, and bury the edges with plastic

More information on oak wilt in Texas can be obtained by visiting www.texasoakwilt.org and City of Garden Ridge Ordinance 71 can be viewed on the city website at www.ci.garden-ridge.tx.us.

CITY OF GARDEN RIDGE LIBRARY

Your City of Garden Ridge Library is open to area residents. We hope that your use of the library will be a pleasant and enjoyable experience. We are here to help you utilize our fine library in any way we can. The Library is located in the City Hall complex at 9410 Municipal Parkway.

To call the Library: 651-6570 To volunteer, call Linda Crosland: 651-6570 Email: library@ci.garden-ridge.tx.us

REGULAR OPERATING HOURS
Monday - Wednesday: 10 a.m. to 6 p.m.
Thursday: 10 a.m. to 8 p.m.
Friday: 10 a.m. to 5 p.m.
Saturday: 10 a.m. to 1 p.m.
Sunday: CLOSED

LIBRARY CARDS
It is easy to obtain a library card for all residents of zip codes 78266 and 78132. We will simply need a bit of information. If you live outside these zip codes, there is a fee of $25 per year.

ONLINE ACCESS
You can browse our catalog online, renew books and reserve items. The catalog can be found at: https://gardenridge.biblionix.com/atoz/catalog

FREE COMPUTER COURSES
Since we are an accredited library, we now have access to free computer class provided by the state of Texas. It would be our pleasure to sign people up for future classes. Of course, computers here in the library are available for your use as well.

USER FEES
There is a fee of $0.25 a day for late items, but there is a seven-day grace period in which no fine is assessed. A book drop is available for after-hours return of materials. The user is responsible for any lost or damaged materials checked out on his or her card.

SPECIAL PROGRAMS
On the Second Thursday of each month the library presents various classes called “A Healthier You”. Your suggestions of topics are welcome.

Sale room is open daily for wonderful bargains. Donations are gratefully accepted.

INFORMATION FROM THE GARDEN RIDGE QUARRY COMMISSION

The Lehigh-Hanson Quarry in Garden Ridge comprises approximately 3,000 acres of which the majority of the operational portion is within the city limits. It produces 25,000 tons of crushed stone daily and will continue to operate for the foreseeable future. At this time, the quarry blasts rock for their crushing operations normally two to three times per week. Mining operation is moving in a northwesterly direction, which is generally towards Georg Ranch and Old Schoenthal Road. It is estimated that it will take 20 years to mine their holdings.
At this time there are no federal, state or county laws governing mining operations however there are federal guidelines that they comply with and environmental standards they must meet. In 2012 the city of Garden Ridge revised Ordinance 34 which prohibits blasting within the city limits without a limited exemption permit for such operations. The City quarry Commission has been instrumental in developing revisions to Ordinance 34, which were approved by the City Council, and such has reduced the impacts of quarry operations on our community. Through independent monitoring the Commission monitors all blasts and functions as a point of contact with the management of Lehigh-Hanson. The Quarry Commission’s goal is to enhance community and quarry relations and to work on issues in the best interest of the citizens of Garden Ridge. Information on these actions is available through the city’s website www.ci.garden-ridge.tx.us.

The City Quarry Commission continues to educate citizens on quarry issues and operations through Grapevine articles, the city’s website and the Commission’s monthly meetings. Citizens may obtain and/or provide information or express concerns by attending Commission meetings, which are routinely held on the second Monday of each month, at 7:00 p.m. in the City Council Chambers located in City Hall or by sending an email to the Commission at quarrycom@ci.garden-ridge.tx.us.

THE GARDEN RIDGE POLICE DEPARTMENT

The Garden Ridge Police Department is a full-service, 24-hour-a-day operation, accessible to the public by several different means. Normal business hours for the office are Monday-Friday (excluding holidays), 8 a.m. to 5 p.m. Our offices are located in the City Complex at 9400 Municipal Parkway.

The Garden Ridge Police Department is dispatched by the Comal County Sheriff’s office dispatcher. Emergency response is available anytime by dialing 911. Non-emergency response is available weekdays by dialing the office non-emergency number, 651-6441. After 5 p.m., weekends and holidays, call the Comal County Sheriff’s Office non-emergency number, 830-609-3921 (metro).

The Police Department is equipped with an automated phone attendant. There will be time when the automated phone attendant will record your non-emergency calls. You will be able to leave detailed messages; staff will return your call as soon as possible.

Some of the services that your police department proves are as follows:

- Vacation house checks
- Citizen Police Academy classes
- Home Security Surveys
- Cellular on Patrol Services

If you would like more information about the Police Department, please contact Chief Donna O’Conner or Sgt. Dan Bellinger or visit www.ci.garden-ridge.tx.us.

Our philosophy is simple. There is no such thing as a “Nuisance call”.

Donna O' Conner, Chief of Police

SUPPORT THE GARDEN RIDGE POLICE DEPARTMENT

FOR NON-EMERGENCY
Mon-Fri (Excluding Holidays) 8 a.m.-5 p.m. 651-6441
After 5 p.m., Holidays, and Weekends 830-609-3921 (metro)

Please remember, when our office is closed, the automated phone attendant will record your non-emergency calls. If you need to talk with a police officer, call the Comal County Sheriff’s dispatcher non-emergency number at 830-609-3921 (metro). The dispatcher can put you in touch with an officer at any time.

Help us keep our city safe. Report anything that looks suspicious.

SUPPORT THE BRACKEN VOLUNTEER FIRE DEPARTMENT

FOR NON-EMERGENCY
Mon-Fri (Excluding Holidays) 8 a.m.-6 p.m. 651-5762
After 6 p.m., Holidays, and Weekends 830-609-3921 (metro)

Bracken Volunteer Fire Department volunteer training sessions are held the 2nd and 4th Tuesdays of every month at 7 p.m. Call 651-5762 for information.
The City of Garden Ridge is a bedroom community of 1,400 homes with a population of approximately 3,500. The city derived its name from a series of ridges overlooking fields of wild flowers on the up-slope of the famous Texas Hill Country. This is comprised of ranch and farmland previously owned and cultivated by immigrant and first generation Germans.

The city had its beginning as a custom home subdivision in the 1960's. During this time frame, the fast developing area was beginning to invite attention from the neighboring towns that had growth ideas and thoughts of annexation. The citizens quickly decided that incorporation as “THEIR” town would solve this dilemma. Thus, the city was incorporated by it Ordinance One, dated July 6, 1972, and is now served by a non-paid Mayor and City Council, city administration, 24-hour Police Department, and Public Works Commission, and Impact Fee Commission. A City Library was activated in 1998 serving the local area and is supported by contributions, volunteers and a part-time employee. The service of volunteers is the heart of the city.

Garden Ridge is one of the fastest growing communities in South Texas, with a current growth rate of approximately 8% per year. These growths enabled the city tax rate to be the lowest in the area. In June 2003, a much needed 12,000 square foot Community Center was erected to provide a gathering place for citizens as growth continues. In March 2003, the City, for the first time in its history, reduced its dependence on a single water source (Edwards Aquifer) by drilling into deep strata of the Trinity Aquifer. This successful endeavor, next to the actual incorporation, is the most significant action in the City’s history and for its future.

Progressive ideas and progressive management throughout the city indeed highlight the motto:

“A way of life...not just a place to live”.

For nearly 80 years, the Hanson Aggregates - Servtex Quarry has produced crushed stone from its 3,400 acre site, most of which is located within the City of Garden Ridge. Servtex is one of the top producing aggregates quarries in the state of Texas, and is among the top 25 highest-producing crushed stone quarries in the country.

Not only do quarry products play a significant role in the economy of the region, but as the largest business in Garden Ridge, the Servtex Quarry is the single largest taxpayer to the city.

As the quarry continues to mine its property and the Garden Ridge area continues to grow, being a good neighbor remains a primary focus for the company. The quarry has taken measures to minimize the noise and vibration from its operations, including establishing 180 acres as a blast-free buffer zone between quarry operations and residential areas that were constructed in proximity to quarry land.

Servtex Quarry management welcomes opportunities to meet with community groups and homeowners associations to discuss quarry operations. Tours of the plant are also available by appointment. For more information contact the quarry at (210) 658-7461.

Representatives from Servtex Quarry participate in the monthly City of Garden Ridge Quarry Commission meetings. The Quarry Commission conducts independent monitoring of all blasts and serves as a point of contact with the management of Servtex Quarry.

The commission educates citizens on quarry issues and operations through Grapevine articles, the city’s website and the commission’s monthly meetings. Citizens may obtain and/or provide information or express concerns by attending Commission meetings, which are routinely held on the second Monday of each month at 7 p.m. in the City Council Chambers located in City Hall or by sending an email to the Commission at: quarrycom@ci.garden-ridge.tx.us.
Estes Audiology Hearing Centers are full-service audiology clinics that provide quality care to each and every one of our patients. All hearing aids provided at Estes Audiology Hearing Centers are the latest advances in the industry. Recommendations for which type of digital hearing device is best for YOU is based on your hearing loss and your communication needs. Don’t wait any longer, call for an appointment today!

IS THIS REASON ENOUGH FOR AN ESTATE PLAN?

Is he going to get half of what you leave to your daughter?

You have worked tirelessly raising your family and accumulating assets to support yourself during retirement. Make sure that your estate is planned properly to avoid mistakes like the one above. Our goal is to help our clients implement a plan whereby they retain control of their assets, maintain their privacy, and ultimately pass a legacy to their family at the least administrative and tax cost. We prefer to work with people who recognize that their most valuable asset is their family. Each plan is tailored to the specific needs of the client and the circumstances they face. Call us today for a free consultation. Let us explain how we can help you. Not him.
